

28th Workshop on Job Scheduling Strategies for Parallel Processing **JSSPP 2025**

Milan, Italy, 3-4 June 2025

Welcome to JSSPP 2025

- **Big thanks to all authors of submissions!**
 - 25 papers, 17 accepted (68% acceptance rate)
 - **Two-day event for the first time in our 30-year history!** 😊
 - **We thank our PC for delivering all the reviews**
 - **We also thank the IPDPS conference for hosting us again!**
- **Proceedings will be organized after the workshop during June-July**
 - You can still change the paper to incorporate reviews & feedback
 - No strict page limit

Program

- **1 keynote, 3+3 sessions** (and 2 coffee breaks each day)
 - We would like to collect the slides and put it on the website after the workshop
 - Mail us at: jssppw@gmail.com
- **Keynote** by Julita Corbalán (BSC):
“How to make the ultimate goal of energy-efficient data centers a reality”
